## **HB 3006 - SB 3078**

February 14, 2000

**SUMMARY OF BILL:** Prohibits the court from issuing an order for a restricted driver's license to anyone who, based on the records of the Department of Safety, has a prior conviction for D.U.I., vehicular homicide, aggravated vehicular homicide, vehicular assault, or adult driving while impaired provided the present violation occurred on or after July 1, 2000. Current law provides that a judge may issue an order for a restricted driver's license for any person whose license has been suspended as a result of their first D.U.I. conviction.

### **ESTIMATED FISCAL IMPACT:**

#### **Decrease State Revenues - Not Significant**

Assumes fewer restricted driver's licenses would be issued resulting in a reduction in the amount collected for issuance of such licenses. The fee for a restricted license is \$67. The decrease in state revenues is estimated to be not significant.
